If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

The case of Thomas Ryan in Squire Dresel's Court, set for yesterday, was postponed until Tuesday at 2 o'clock.

Mr. Mose Daulton was able to be up town at his business place yesterday. An agreeable surprise to his legion of friends.

A vicious bull pup—probably a pet of some fair damsel—nearly bisected Charley Crane's right leg as he was passing down street the other day.

Mr. William Walter Moore of Covington and Miss Annie H. Dietrich of the same city, were married this morning at the home of the officiating Minister, Rev. J. C. Simons of the East End.

Mrs. James Mackey, who has been suffering for several months with inflammatory rheumatism, is improving and able to sit up. The general Deputy Sheriff is also feeling in a happier mood over her improved condition.

We are offering some special bargains in Sterling Silver Knives, Forks, Spoons, Sugar Spoons, Butter Knives, Icecream Spoons and Forks, Salad and Oyster Forks, etc. Special attention given to watch, jewelry and clock repairing. We are prepared to match stones in rings or other jewelry of any kind.

MURPHY, the Jeweler.

WILLARD NICHOLS

Maysville Man Hurt in C. and O. Yards at Russell Yesterday

Willard Nichols of this city, a switchman in the C. and O. Yards at Russell, was seriously injured by falling under the wheels of a box car yesterday morning about 10 o'clock.

A special train consisting of an engine and a caboose took the wounded man to the C. and O. Hospital at Huntington where an operation was performed.

It is thought he may recover with only the loss of his right leg below the knee.

COLD STORAGE PLANT

Emil Weis to Build a Complete One Near This City

Mr. Emil Weis of Market street has let the contract for an up-to-date slaughter house and cold storage combined.

The slaughter house is to be 20x35 and the cold storage building 20x25 and will be 47 feet in height. Mr. John F. Meran of this city has the contract for the foundation and the John Dupper Company of Cincinnati will construct and furnish the buildings.

The plant will be located on Mr. Weis's ground on the Flemington pike in easy access of the city.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing;—but don't make your "kicks" too long—it's the short, quick fellows that count—and out.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

PLEA FOR FAIRNESS

Editor Ledger: Some few days since there appeared in The Bulletin an article relative to the meeting of the saloon keepers, and which was replied to in THE PUBLIC LEDGER, but in a manner that was not just to some that are engaged in the business.

There are some people in the saloon business that adhere to the law strictly as any mercantile house in the city. They pay a license—and it certainly is quite a revenue to the city—for the privilege of retailing liquors, and they only enjoy those privileges that they pay for.

There are others in the same traffic that do not adhere so closely to the law, neither are they licensed for some of the privileges they take advantage of. There are probably some saloon men that could take The Bulletin's advice were they looking for advice from that source. There is only this to it—Why should people engage in this business who respect the law be made to suffer in public opinion by those that have respect for nothing or for no one?

If The Bulletin wishes to start a Law and Order League let it do so, but let it confine its work to those that are disobeying the laws and not include all simply because they are engaged in the same business.

ATTEMPTED HOLD-UP

Engineer Kincade Came Near Being Relieved of \$125 in Gold

There are incidents of imminent peril in a man's life—it matters not how nervy he may be—that causes a chill to creep up his spinal column and a cold sweat to break out on his forehead.

Perhaps you have been there and know something about the terrible feeling that comes over a fellow under such circumstances.

Wednesday was pay day on the C. and O. and the employees had a considerable wad of money about their person—especially the engineers and conductors.

Among the number was J.W. Kincade, engineer on a local freight.

He arrived here shortly before 12 o'clock Wednesday night, and as was his usual custom, after reporting at the office, he walked up the track to Mr. J. P. Wallace's restaurant for his supper.

As he was wending his way up the track and when nearly opposite the factory yard, he was confronted by a man who stepped out of the shadow and ordered him to halt.

Instead of halting, he accelerated his footsteps, when the footpad with an oath again demanded him to halt.

This time he faced-about and with drawn revolver caused the fellow to retreat behind nearby freight cars and join his pals.

Mr. Kincade proceeded rapidly on his way as above stated, and when he arrived at Mr. Wallace's place, was in a perturbed state and very much excited.

After recounting his adventures, it was determined to capture the party.

Policemen Ryan and Dryden together with Messrs. Wallace and Kain started out on the hunt of the highwaymen.

They had Mr. Kincade to retrace his footsteps while they deployed in such a manner as to encompass the capture of the strong-arm gang.

They had evidently become wise and onto the lay, for when the final close in was made, all the birds had flown with the exception of Bill Hickle who was caught in the dragnet and placed in jail.

After he had been in the sweat-box for a while he peached and gave the scheme away.

Hickle said the whole thing had been planned early in the morning of that day.

The gang knew it was pay day on the C. and O. and it was necessary, according to the ethics of these gentlemen, to raise funds in order that they might continue to loaf, dress well and have plenty to eat and drink.

Mr. Kincade had \$125 in gold on his person at the time and if their plans had not miscarried they would have been flush for some time to come.

The Chief of Police has the names of all engaged in the attempted hold-up, and when they return from Cincinnati, whither they have fled, they will find a warm welcome awaiting them.

MR. J. C. PECOR

GIVES REASONS WHY HE CONSIDERS VINOL

The Greatest Health Restorer and Strength Creator Known to Medicine.

First: Because Vinol contains in a concentrated form all of the medicinal curative elements actually taken from fresh cod's livers, but without a drop of oil to nauseate and upset the stomach and retard its work; therefore, wherever old-fashioned cod liver oil or emulsions will do good, Vinol will do far more good.

Second: Because Vinol acts first upon the stomach, creates a healthy appetite, strengthens and tones up the digestive organs; purifies and enriches the blood, and in a natural manner health is restored and strength created.

Third: Because Vinol contains no injurious drugs to react upon the system; you know just what you are taking, as it is printed on every bottle.

Fourth: Because we have never sold anything in our store equal to Vinol to restore health and create strength for old people, weak, sickly women and children, nursing mothers, and to build up the system after a severe sickness.

Vinol cures hacking coughs, chronic colds, bronchitis and all throat and lung troubles.

A prominent physician writes: "Vinol is the most palatable and valuable preparation of cod liver oil ever compounded. I now use it entirely in all cases where I formerly depended upon old-fashioned cod liver oil and emulsions."

Try Vinol on our guarantee to return money if you receive no benefit. J. C. PECOR, Druggist.

R. C. Henderson of Manchester has made the Board of Trade a proposition to start a furniture factory at Vanceburg.

Mrs. Semmie T. Jackson of Augusta has been appointed Deputy County Clerk of Bracken. Her husband, J. T. Jackson, who shot himself a few weeks ago, was the Deputy Clerk at Au-

gusta display of Millinery Friday and Saturday, March 25th and 26th. Mrs. O. B. Stitt.

The Rev. James S. Coleman, for sixteen years Moderator of the Kentucky Baptist Association, died a few days ago at his home in Ohio county, aged 77.

Colds Cause Pneumonia.

One of the most remarkable cases of a cold, deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 140 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength. Sold by J. Jas. Wood & Son, Druggists.

NEXT DOOR.

Ironton Ironton. The only Brothers Royer appeared at the Masonic last evening in the acrobatic farce comedy. "Next Door" is well adapted to introduce their company of comedians, acrobats, pantomimists. The general verdict was extremely favorable, and the impression created was that it was equal, if not superior, to any acrobatic comedy now on the stage. The specialties were all of high order.

At the Opera-house tonight. Seats on sale at Ray's.

Wakeful Children.

For a long time the two-year-old child of Mr. P. L. McPherson, 59 N. Tenth street, Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by J. Jas. Wood & Son.

A FEW WORDS ABOUT OUR SHOES.

When we added Men's and Boys' Shoes to our general stock of Clothing and Men's Furnishings we bought the kind of shoes that our many years business experience taught us wanted. You have all learned to know there is no economy in buying cheap stuff of any kind, but much less so in buying cheap shoes. In the selection of manufacturers whose shoes we now handle we were careful to connect ourselves with the best in the land. We wanted to sell shoes on the same terms like all the other merchandise we sell, and that is if not reasonably satisfactory other merchandise in place of it, or other shoes in place of them, or the money refunded. We have learned that we can safely sell our W. L. Douglas and Hanan & Sons' Shoes on these terms. We want you to see our new Spring Styles. They will please you.

A WORD ABOUT OUR MERCHANT TAILORING.

Some of our friends will doubtless want their new Spring Suits made to order. We want to say to them that our new Spring Suitings and Trouserings are more than worthy of an examination. We would advise you to make an early selection, as we are already quite busy in the custom department.

CAN'T MAKE A MISTAKE.

All Maysville People Have to Do is to Follow Their Neighbors' Advice.

Our readers have no excuse for going astray. The way is almost fenced with guideposts in Maysville. They are on every highway and byway. "He who runs may read." Investigate this example:

Mr. Henry Bertram, boots and shoes, of 225 Market street, says:

The great value of Dean's Kidney Pills is quickly proven. I procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. In a very short time I was cured of backache which had troubled me for some time. I gave some to a friend who suffered greatly from kidney ailments, and he said the results obtained from their use proved that Dean's Kidney Pills are a preparation which possesses remarkable value.

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Dean's—and take no substitute.

"DO IT TODAY."

The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!"

That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for IT TODAY, and let that remedy be Dr. Bosche's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25¢; regular size, 75¢. For sale at Henry W. Ray's Postoffice Drugstore.

The increase of the school term from five to six months and the purpose of raising the proficiency of the common school teachers will cause a close and more exacting examination in all branches than heretofore.

THURSDAY,
MARCH 31.51 WEST
SECOND ST.

Two hundred men on the Camden Interstate Railway struck yesterday, and the entire line from Guyandotte, W. Va., to Hanging Rock, O., is idle.

Anderson True, who makes his headquarters with McAtee & Thompson, had a miraculous escape the other day while traveling in Harrison county. In crossing a swollen stream his horse was drowned, buggy wrecked and he barely got out alive.

Well Again.

The many friends of John Blount will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in the town (Monon, Ind.) had failed to give relief. The prompt relief from pain which this liniment affords is alone worth many times its cost. For sale by J. Jas. Wood & Son.

The locomotive hauling the Huntington Accommodation was detained about an hour here by a breakage of some kind.

READ IT THROUGH.

Twould Spoil This Story to Tell It in the Headlines.

To use an eighteenth century phrase, this is an "ever true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia, but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by J. Jas. Wood & Son.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
